COMMUNITY-We have lots of fun together, take care of each other, and welcome campers from all races, religions, national origins, genders, and sexual orientations. Quakers look for that of God in everyone and value each individual for their unique gifts

and potential. We rely on donations to provide camperships so every family can afford camp.

CREATIVE FUN-We make our own fun each session with activities like skit nights, arts & crafts, songwriting, low rope challenges, Secret Friends, campfires, and zany all-camp games. Plork projects are play and hard work, we cook, clean, and help the camp and our community.

NATURE-Whether through quiet worship listening to birdsong, digging erosion controls, feeding our worm box, hiking Shaggy Peak, camping in lush meadows, or harvesting dinner at a nearby organic farm, campers become grounded and find joy in the outdoors.

QUAKER VALUES-We try to practice the Quaker testimonies of Simplicity, Peace, Integrity, Community, Equality, and Stewardship. We encourage campers and staff to share their own feelings and experiences, and teach respect for all faiths and peoples.

"My son came home with new confidence, new friends and lots of happy stories."
