

Driving Directions to Mountain Friends Camp (at Santa Fe Tree House Camp) From Santa Fe via Old Pecos Trail and Old Santa Fe Trail

1. From Santa Fe take the Old Pecos Trail towards I-25
2. Turn left on to NM-300/Old Las Vegas Highway (you will parallel the highway), 1.1 miles
3. At Stoplight, just past "Harry's Roadhouse" turn left onto El Gancho Way
4. Take the first right onto NM-67/Old Santa Fe Trail, drive for 3.7 miles
5. Follow road to the left onto NM-67A/Cañada Village Road (do **NOT** go straight on 67, **NOT** towards Camp Stoney!) and drive through village
6. When pavement ends, continue on dirt road for exactly one mile. You will curve left up a steep hill and left again at the top of the hill (staying on Cañada Village Road). Look for the Tree House Road sign ahead on right...
7. Turn right on to Tree House Road (our driveway!)
8. Drive past the first house and down to the camp, look for Parking sign.

See you soon! We'll put up a few signs as you get close.
