COMMUNITY We share joy and care for all, and welcome campers from all races, religions, national origins, genders, and orientations.

Quakers look for that of God in everyone and value each individual for their unique gifts and potential. We rely on donations to provide campships so more families can afford camp.

CREATIVE FUN-We make our own fun each session with activities like skit nights, arts & crafts, songwriting, Secret Friends, campfires, and awesome all-camp games. Plork projects are play and hard work, we cook, clean, and learn simple environmental and maintenance skills.

NATURE-Whether through quiet worship listening to birdsong, trailwork, hiking and backpacking, wilderness games, or helping with the organic permaculture onsite, campers become grounded and find joy in the outdoors. We practice stewardship and learn about nature daily.

QUAKER VALUES-We try to practice the Quaker testimonies of Simplicity, Peace, Integrity, Community, Equality, and Stewardship. Campers and

staff are asked to reflect and share, and to respect all faiths and peoples.

"My son came home with new confidence, new friends and lots of happy stories."
